Summer Edition - August 10, 1988

Welcome to the "season opener" for FARA. I trust you are all enjoying the summer working a lot of DX, rag chewing, and having fun.

I guess a good place to start would be to bring everyone up to date on the elections held during the last meeting of the season. The official version of the meeting minutes is on the last page of this newsletter and was done by our secretary, Henry Lee.

The club officers are:-

- Officers at Large -  
(the real brains)  
**EXULTED GRAND WAMBA:**  
Lew Nyman, director  
**EXULTED GRAND POOBA:**  
Burt Shaffer, immediate past president

August, 1988

- Officers -

**PRESIDENT:**  
Don Morse - KA1MLM  
**PRESIDENT of VICE:**

Dick Landau - W1IBN  
**SECRETARY:**

Henry Lee III - KB1PE  
**TREASURER:**

Bob Gettys - N1BRM  
**ACTIVITIES:**

Marc Stern - N1BLH

**NEWS LETTER:**

Ted & Judy Gruber  
Moving to Texas

Texas' gain is FARA's loss. Ted (WB1ECE) and Judy (KA1NPT) were very active FARA members. Ted did an excellent job running this newsletter (the current editor will be delighted if he can do half as well). Judy wrote several articles for the news letter and was a constant source of inspiration for us all. 73's and 88's to them from us all.

FARA Flea Market  
Oct 23, 1988

Doesn't it seem like we just finished one flea market and already we're planning for the next?

Would you like to share the excitement and glory of helping create the FARA flea market? Many of those who have participated consider it more fun than achieving DXCC. Join us; share the glory (and a little work).

Joy, Sorrow, & Living

Has your daughter just graduated? Have you just accomplished something you'd like to share with us? Is there a loss we should know about? Share it with us.

It is with sadness that we report these recent losses for FARA:

\* The father of Sue Zunick, KA1DUF, Arthur Marshall, wife of Arnie, K1BPM, lost her father in late July. FARA's deepest sympathies go to Sue, Arnie, and their family. Sue is also a cousin of Dick Marshall, WA1KUG, and a friend to many club members.

\* Bruce Garber, 35, became a silent club member July 22. Although he did not hold an amateur license, Bruce was an active participant in club meetings and events for the last several years. He was an avid SWL and an electronics technician at Parametrics in Newton.

In other news and notes of interest over the last few months:

...Ken Horton, KA1GFN, of Marlboro, will be married next month.

...Dr. and Mrs. Ken Gordon, WA1KUL, became parents earlier this year of a little boy.

...Andy, N1FOD, and Patti, N1FOG, Luke became parents of a little girl. Her name is Stephanie.

...Cheryl and Dick Landau, W1IBN, are expecting their first child later this year....Dick, WA1KUG, and Marsha, KA1JIR, Marshall are preparing for the wedding of their youngest daughter Deborah.

...Barry Foote, K1BTF, is preparing for the wedding of his daughter.

...Mr. and Mrs. Edward Leavitt are preparing for the wedding of their youngest daughter, Debbie, to Eric Schmeidler next year. Mr. and Mrs. Leavitt are the parents of Marjie Stern, KA1HIA. Debbi is Marjie's younger sister. ...Mike Weissel, N1FCY, son of Betsy and Dick, WA1HRV, Weissel, recently returned from several weeks' of study in Europe.

...Burt, N1DDO, Toby, N1DDS, and Mike, N1EHN, Shaffer recently opened their own auto-sound store in Framingham, The Auto Stereo Place

#### -- FOR SALE --

It's about time to get rid of that old clunker (your rig not your car). Send it in and we'll run it. Sorry, but ads are limited to 4000 words or less.

If you are looking for a particular piece of gear, we'll run that also.

#### TECHNICAL ARTICLES

In future issues we'll be including some technical and technique articles. They may be in such areas as "Working DX", "Packet Radio", "Antenna Tuning", etc.

We realize that not all members will be interested in these subjects. To make it easier to separate the "club stuff" from the "technical stuff", the technical stuff will be in the back of the newspaper and be clearly marked.

#### WANT TO WRITE A COLUMN?

Here is the process needed to write a column of your own:

1. Pick a subject.
2. Write about it.
3. Send it in.  
It can be sent in one of the following ways:  
1 3 1/2" (preferred) floppy disk.  
2 5 1/4" floppy disk.  
3 Electronically over the phone.  
o Through COMPUERVE. My account number is: 76530,366  
o Mail it in.  
o Tell it to us.

#### --- FARA PICNIC ---
